SCALED®

Your Best Prevention Solution

WRAS APPROVED PRODUCT

TECHNICAL PARAMETERS

FEATURES & BENEFITS

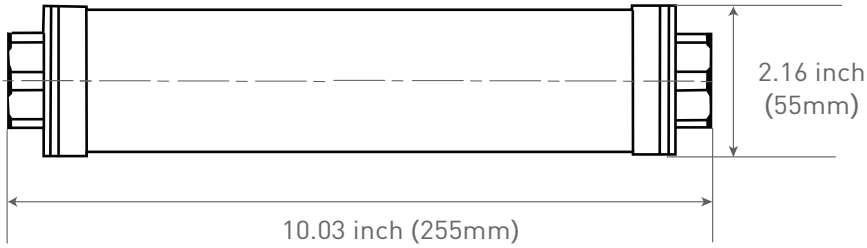

- 10-year lifespan, maintenance-free
- Effectively removes scale, corrosion, with 91% efficiency
- Prevents scale, corrosion formation
- Protects household appliances, extends lifespan
- Patented DPSE physical polarization technology
- Improves detergent efficiency
- Energy-saving, cost-effective

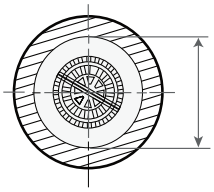

WD001

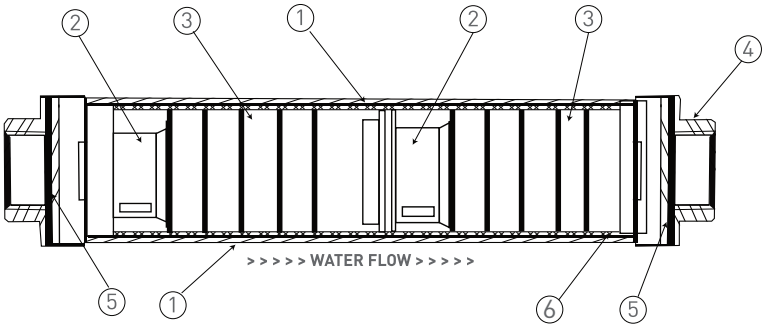

- Maximum Pressure: <1MPa (145psi)
- Inlet Water Temp: 5~105°C(40°F-221°F)
- Max Flow: 4 m³ / Hour(18GPM)

FEATURES & BENEFITS

MATERIAL SPECIFICATIONS

Part		Material
1	Main body	304 Stainless Steel
2	Turbulence generator	POM
3	Turbine disc	Alloy
4	Pressure reducer cap	304 Stainless Steel
5	Sealing component	Silicone
6	Turbine disc Spacer	POM
